## YES! KITTEN CLUB

**YES! Kitten Club**, is the junior arm of the GCCF's Young Exhibitors' Scheme. It is open to any young person from the age they are able to colour pictures and recognise different cat colours and shapes up to the age of 16.

Unlike **YES!** where Candidates must demonstrate eligibility for the scheme by meeting a small list of requirements, **YES! Kitten Club** has no such strictures.

**YES! Kitten Club** is a new initiative by the GCCF and **YES!** from November 2016 designed to introduce young people to cats, enabling them to recognise various breeds, and the sections of a show hall where they can be found.

There is no outlay for the parents, the **I-Spy** sheets are free for use. Those front pages completed on show day will enable the young person to claim a free **YES! Kitten Club** rosette to celebrate their achievement. The back of the **I-Spy** sheets all have a picture to colour in, and then either a spot the difference or complete a nursery rhyme activity.

For older children we have the **Kitten Club Award** which can be given to young people who would like to be more active and help out at a show, either by helping to give out the winning rosettes and/or prize cards by putting them on the cats pens, or by other doing other small jobs given out by the Show Manager at the show.

*"Do you know the difference between a self and a patterned cat?"* If you'd like to know the answer to the question, and you are a young person aged 8 -16+ why not find out how you could join **YES!**
